

Mirqueya Guzman was born and raised in the Dominican Republic. Her parents struggled to provide food for their large family. Mirqueya experienced the ugliness of poverty firsthand, often lacking food and clean water. She was able to put herself through college to become a teacher. After completing her degree, she realized that her influence and knowledge could be used to impact children in her neighborhood.

When you sponsor a child or give to Emanuel House, your money will provide the following:

- A nutritious snack
- Clean drinking water
- Education
- Bible training

Many of these children are not allowed to attend public school because they do not have a birth certificate or their parents cannot afford the uniforms and supplies. Your donations will allow a child that lives in extreme poverty a chance to learn about God and receive a much needed education.

Sign up today to sponsor a child or give a tax-deductible donation to Emanuel House by completing the attached form and returning to our home office.

THANK YOU FOR YOUR SUPPORT!

After working with organizations like the Alfonso Soriano Family Foundation, God provided sufficient funds for a new building to be constructed. This fully equipped two-story building, in memory of Andrea Soriano, was completed in October 2011. SCORE International also has an on-going relationship with McLean Bible Church who has worked tirelessly to provide for the children at Emanuel House.

Emanuel HOUSE

Emanuel House, located in Quisqueya, Dominican Republic, weekly ministers to over 150 children,

including classes for special needs and deaf children. Started in 2000, by Mirqueya Guzman, Emanuel House purposes to change the lives of the ultra poor through the love of Jesus Christ.

Mirqueya, out of her own pocket, began an after school program targeting the neediest children in Quisqueya. With help from the community, she was able to offer a hot meal, and educational instruction. After laboring for years, her work came to the attention of SCORE International. Her ministry has grown into a program that many children rely on everyday.

Emanuel House has a full staff of teachers, and a nice new building provided by help from the Alfonso Soriano Family Foundation, McLean Bible Church and others.

SCORE International needs your help to provide for the needs of the children at Emanuel House. It takes approximately \$6,500 monthly to run Emanuel House. This money covers such needs as food, teaching supplies, utilities, and teachers' salaries. The children also need playground equipment, basic sports equipment, and art supplies.
